

## A very exciting week at the school .....

### Year 9 and 10

Year 10 students are now on their Work Experience so staff are visiting them. Year 9 are taking their internal school examinations.

### Visitors from Teach First and Maryville University, USA

We have had four teachers from a school in Maryville, USA visiting the school this week as they complete their doctorates in Education and we have had 25 adults from our Partner Teach First in the school for a week – all very busy!

### Duke of Edinburgh and Snowdonia Trips

On Monday, we welcomed back staff and students from trips to Snowdonia and the weekend Duke of Edinburgh trip – well done to Mr Bale, Ms McRill, Mr Johnson and Ms Taylor who led those trips – they were all very successful.

It was lovely to see students from Virginia Primary in making and designing their pencil cases and key rings) with Mr Messam.

### English National Opera

On Wednesday we had the English National opera working with Year 7 and 8 students and were singing in front of the school. It was amazing to see Year 3 from Christ Church Primary school and students from Columbia Primary school singing Opera with our Year 7 and 8 students.

### Transition Day for Year 6

It was a great pleasure to welcome all of our new Year 6 students to the school on Friday. Students had an amazing day and did lots of lovely things as a 'taster' of secondary school life at Mulberry Academy Shoreditch; Drama, baking, English, sport, Art...to name a few things.

Thank you, Mrs Holden – Executive Principal

## Trip to Boulogne

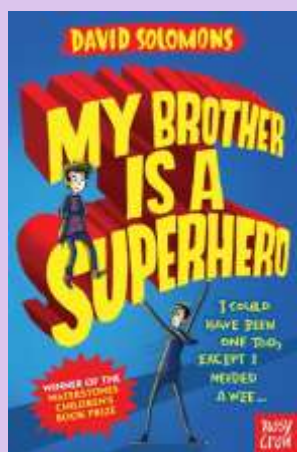

On Wednesday 19<sup>th</sup> June, thirty students accompanied by Ms Boyer, Mr Crichton and Ms Holdcroft travelled to Boulogne in Northern France. After a 2.30am wake up, the group met at school and departed for Calais at 4am! Thankfully, the sun shone after a rainy Eurotunnel trip and the tour around Boulogne town could start. Students went to the market and conversed with the locals in French and managed to get some authentic French bargains! After the visit to the "Ville Fortifiée" (literally the fortified town), the group made its way to the beach for lunch.

Finally, after a quick trip to the *hypermarché*, everyone made their way to the ferry for a bumpy crossing back to Dover and then a quick journey back to Bethnal Green! All in one very long day! Thank you to all of our students for representing our school and being *fantastique!*

## Book Review

### My brother is a Superhero by David Salmons

This book is about a boy named Luke and his brother that has superpowers. But his brother doesn't know how to use them so Luke has to help!

I chose this book because it looked interesting and a laugh to read.

It always made me feel happy and even my 9 year old sister likes it.

I would 100% recommend this book to anybody!

## Congratulations to 8YDR3 Drama class!

This week the drama students received a lovely letter and certificate thanking the students for all their hard work in raising money for the 'Help Yateem' Charity. We are very proud of our students and all their work involved within the First Give Project. It was amazing to receive a letter in acknowledgement of the social action our students have completed and also for the students to understand what their money contributed to in changing children's lives in severe areas of poverty.

## St Hilda's

We are pleased to invite you to the St Hilda's 130th Anniversary Street Party taking place on Saturday, 20th July 2019 from 12pm – 4pm. This event is set to be really enjoyable with lots of different activities for all ages. All events and food and drink are free!

From a live performance from JORO, food and cake, mehndi, painting, map-making, an exhibition, games and more, this event is not to be missed! We will also be giving out (suggested donation £2-£5) 130 stainless steel reusable water bottles kindly donated to us by Friends of Arnold Circus. We will be promoting these bottles to encourage guests to choose a more sustainable option when having a drink of water.

If you are interested in attending or would like to volunteer a few hours of your time, please get in touch with us by emailing [andrea@sthildas.org.uk](mailto:andrea@sthildas.org.uk) or calling 020 7739 8066. Thank you and we look forward to welcoming you there!

## Duke of Edinburgh Trip

28 students were assessed and passed their Duke of Edinburgh Bronze expedition last weekend. Students walked just over 25km in the heat and camped in the Essex countryside.

Students cooked their own food throughout the weekend. They did a great job and we are really proud of them.

## Sixth Form

Last Thursday we celebrated one of the highlights of our academic year with our past students coming to see us at our annual alumni event. We were overwhelmed by the number of students who turned up and it was so lovely to hear about the numerous success stories and also the amount of students who are considering teaching! Among our updates were:

Mithila Sharmin our medical student who has successfully passed her second year at UCL. Mehjebi Choudhury who has completed her MSC degree in Structural Molecular Biology and is now off to Brazil to complete some further research projects Savio Samkutty who is has flourished in his first year at Exeter University, he is a strong advocate of students picking universities outside of London!

With over 40 students present, there is not enough space to share everyone's update but what was clear was just how happy and successful our students were. We are very proud of them
